

FORM 1 – JUVENILE DISPOSITION MATRIX

These are guidelines only and are relevant to adjudications within juvenile court jurisdiction only.

They do not create any right or expectation on behalf of the juvenile.

Homicide offenses are outside the scope of these guidelines.

INSTRUCTIONS:

Score the PSRA completely and with fidelity according to the validated tool.

Nothing in these guidelines should be construed to alter the complete and accurate scoring of the PSRA.

Nothing in these guidelines should be construed to discourage non-judicial dispositions as deemed appropriate.

In determining the appropriate row on this form, **do not** include the presenting offense.

In determining the appropriate row on this form, **do not** include the total PSRA score.

In determining the appropriate row on this form, **only include the PSRA Delinquency History Score.**

Once the appropriate row is identified, intersect with the appropriate presenting offense column.

The point of intersection includes both graduated shading and a corresponding number or numbers from the key below.

Aggravating and Mitigating Factors on Form 2 should then be utilized to determine the appropriate disposition in each individual case.

PSRA Delinquency History Score	Row	Recommended Disposition	Numerical Key
11+	IV	Secure Care	4
9-10	III	Community Placement	3
5-8	II	Probation Supervision	2
0-4	I	Other Sanctions	1
